PRCN: 200920426957

Dear President Wetherell:

The U.S. Department of Education's (Department's) School Participation Team - Atlanta issued a program review report on November 30, 2009 covering Florida State University's (FSU) administration of the Cleary Act authorized pursuant to Title IV of the Higher Education Act of 1965, as amended, 20 U.S.C. §§ 1070 et seq. (Title IV, HEA programs), for the 2007 award year. The institution's response was received on December 24, 2009 and is attached.

The School Participation Team - Atlanta has reviewed FSU's response(s) to the Program Review Report which is incorporated by reference, in its entirety, into and made part of this final program review determination. FSU's response has resolved all findings. In addition FSU has provided assurances that the appropriate corrective actions have been taken to resolve and prevent future occurrences of all findings. Therefore, FSU may consider the program review closed with no further action required.

Program records relating to the period covered by this program review must be retained until the later of: the resolution of the loan(s), claim(s) or expenditure(s) questioned in the program review [34 C.F.R. § 668.24(e)(3)(i)] or the end of the retention period applicable to the record [34 C.F.R. § 668.24(e)(1) and (e)(2)].

If you have any questions please call Sherry Blackman at 404-974-9287.
